DID YOU KNOW?

The U.S. Department of Justice now requires all online content, including sample ballots and other election information to be fully WCAG 2.1AA accessible by April 24, 2027*

The Democracy Live Accessible Sample Ballot is the first and most deployed accessible, online sample ballot in the nation.

Contact Democracy Live today about setting up your fully accessible sample ballot.

*For state and local governments with a population greater than 50,000. April 26, 2028 for entities with a population fewer than 50,000.
