

Accessible Sample Ballot & Voter Guide

OmniBallot provides information to voters about what's on their ballot and delivers it in a fully accessible manner, eliminating the need for inaccessible PDFs.

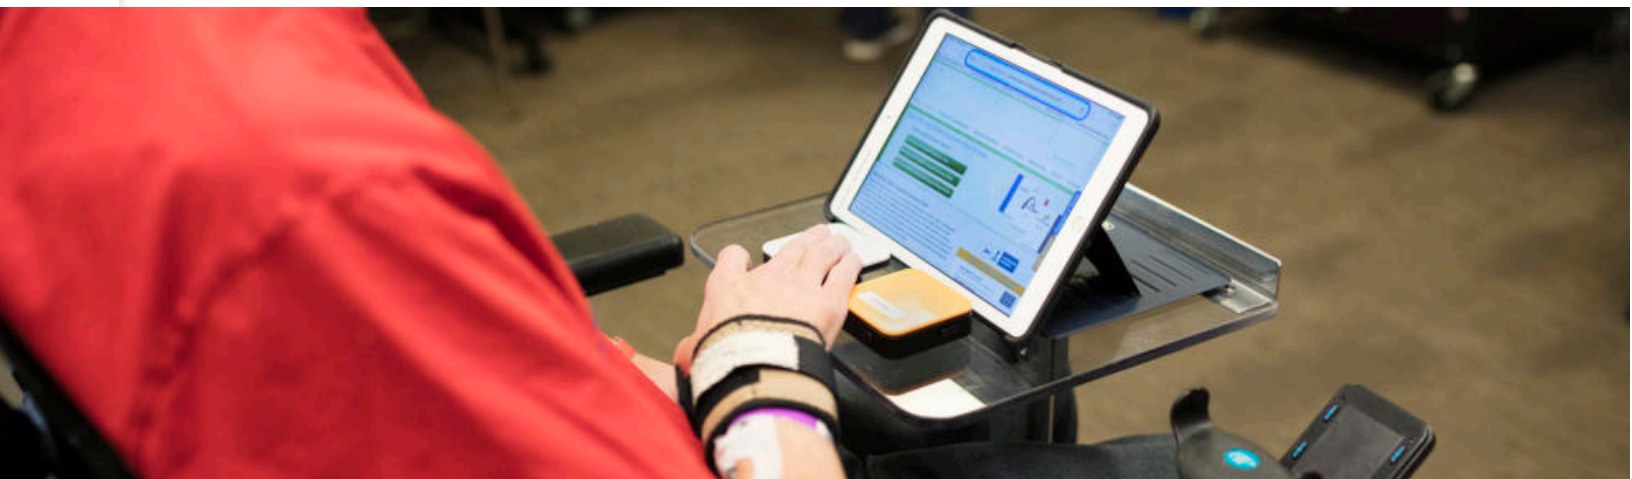

Accessible Ballot Request Form

OmniBallot provides an online accessible ballot request form that can be used for all methods of absentee voting. It's fully accessible and easy to use, removing additional barriers for voters.

“Democracy Live’s system is a marvelous example of a universal design. It provides a valuable resource on voter information for all citizens, including those with disabilities who often lack access to this critical information about candidates and issues.”
