# OMNIBALLOT

## ELECTRONIC BALLOT RETURN

Deployed in 20% of all states, the OmniBallot Electronic Ballot Return module is a proven security upgrade to email and fax ballot return, offering a more secure and accessible method for voters to electronically return ballots.

Since 2019, the Electronic Ballot Return module has been used across 2,500+ jurisdictions in 7,000 elections.

**OMNIBALLOT IS THE  
FASTEAST-GROWING  
NEW TECHNOLOGIES IN  
ELECTIONS TODAY.**

### DID YOU KNOW?

36 states are required to provide an electronic ballot return option. OmniBallot is the preferred solution, powering over 90% of all electronic ballot return implementations nationwide.
