

# DEMOCRACYLIVE OMNIBALLOT TABLET

## INTRODUCING THE NATION'S FIRST LOW COST, BALLOT-ON-DEMAND + BMD + BALLOT DUPLICATION TOOL

OmniBallot Tablet from Democracy Live offers local election authorities the first low-cost multi-purpose, all-in-one device.

Low cost, light-weight, ballot-on-demand solution

Ballot auto-duplication

Stand-alone, vendor neutral accessible ballot marking device

- **Ballot-on-Demand:** Prints any ballot for any tabulation system. Polling place or Elections HQ!
- **Ballot Duplication:** Eliminate manual ballot duplication! Scan or mark onscreen then print.
- **Accessible Ballot Marking Device:** Keep your tabulation system, but upgrade your accessible machines.

Special add-on! In compliance with the Department of Justice April 10, WCAG accessibility deadline, Democracy Live is offering our DoJ-compliant fully accessible sample ballot at no charge to tablet customers.
